Inland Empire Chapter BMW Car Club of America
Inland Northwest Region PCA
High Performance Driving School Program
Spokane Raceway Park

Saturday & Sunday, March 29&30, June 14&15, October 4&5, 2008
Additional Day for Instructors and Experienced Drivers Fridays, 3/28, 6/13, 10/3

Join the best driving instructors in the Northwest at Spokane Raceway Park and improve your driving skills. Our driving schools match each student to an instructor to provide one-on-one on-track guidance to help you improve your driving ability. No matter how much, or how little experience you have behind the wheel, on the street or on the track, our driving schools will make you a better driver.

Our schools have been compared to the best professional high performance driving schools in the country, schools that charge thousands for the same curriculum.

Beginners: If you've never been on a racetrack before we have a specific group just for you. You will be on track ONLY with other beginners. We match you to an instructor and teach you driving position; "the school line"; accelerating, braking, and steering on "the line"; overall car control; and traffic management. What you learn will make you a better driver on the street and prepare you for future driving schools

Intermediate and Advanced: Instructors assess student's abilities and work on specific skills to enhance car control. We teach you to modify your line based on changing factors. We teach you how your vision controls where the car goes. We teach you how to "feel" what the car is doing, and to understand how your inputs and outside factors affect its behavior. You may be "signed off" by your instructor to continue your learning on your own, without an instructor in the car.

Whether you are a beginner or advanced driver, whether your goal is to learn to drive more safely and confidently on the street, or develop racing skills, our program is custom tailored to each participant. Your instructor will assess your skills, set priorities, and work with you in the car.

Registration opens at 7am and we are on track by 9am. (On Saturday in June we open at 6 and are on track from 8am to 4 pm) We provide lunch each day and a catered banquet Saturday evening.

To join us, just complete and submit the attached application with your payment by the deadline. After the deadline add \$35 and contact me to verify space is available. Every participant must be a member of BMW CCA. Non-members will be required to join (\$40). If you are not a member, you can join using your credit card at www.bmwcca.org. Ask for your membership number so you can put it on the application. The included technical inspection form is required of all cars at registration. It does not need to accompany your application.

Cost of any 2-day school is \$400. Fridays are \$185 for experienced, advanced and high-intermediate drivers only. Entry deadlines to avoid late fees are: March 18, June 1, & September 23.

We don't require that your car be a Porsche, BMW, etc. We welcome all marques. But, we do reserve the right to disallow cars that are unsafe or inappropriate for the purpose. Not that there are restrictions on cars with convertible roofs. If your car is a convertible, please check with me in advance.

This is not a racing school. It is a driving school, on a racetrack, under close supervision by instructors. While the overriding consideration during the event is safety, incidents may occur that could cause vehicle damage or personal injury. You will be driving in a class session with other students and instructors whose vehicles may be uninsured and/or unregistered.

You are totally responsible for the safe operation and safe mechanical condition of your vehicle. BMW CCA, the local Chapter, it's officers, instructors, staff and facility providers, Northwest Motorsports, & PCA assume no responsibility in the event of an accident, of any kind, in the course of this event.

If this is a concern to you, we recommend that you contact your own personal insurance carrier for advice to determine what coverage would be in effect during this school.

Submission of this application is your acknowledgement of the above agreement to attend under these conditions.

Cancellation and refund policy: We make every effort to fill each school. Cancellations often result in unused track space without a corresponding reduction in expenses. Refunds will not be given for cancellations, unless the spot can be filled by another participant. There are no refunds for no-shows.
