BOARD ELECTIONS 2005

It is once again time for elections. Please fill out your ballot and mail to BMWCCA Inland Empire Chapter, P.O. Box 1269, Mead WA. 99021-1269. Mail must be received no later than February 2, 2005. You may also bring it with you to the Banquet for final tabulation. Thank you.

Candidate for President. Ken Groves.

I want to thank those that nominated me for President of your Inland Empire chapter of the BMW CCA. If elected, I will do my best to carry on the traditions and activities of our club. Our club serves a wide area of the Pacific Northwest. Our membership has a diversity of interests. It is my hope that our club activities will offer a variety of activities for the membership. I look forward to hearing from the membership regarding future club events. If you would like to see a tour, picnic, or other activity, please step forward and volunteer your time to organize it. The club will support you with our available resources.

I have been the Officer at Large for the past four years. I have enjoyed my involvement with the local chapter. Several years ago I developed a volunteer program for our driving schools. I am very proud of the quality and dedication of our volunteers who come out on the school weekends, put in long hours in all kinds of weather, to make our driving schools a safe and positive learning experience for the participants. I will continue to coordinate this volunteer program in the future. I have also learned a great deal about BMWs, car care, and why our BMWs are billed as the ultimate driving machine. I still have more to learn and am open to all opportunities to expand my knowledge. I look forward to the next two years as a positive opportunity to continue working with all the members of the local chapter. I encourage each of you to participate in this election by voting. The members that have been nominated for offices are all dedicated to making this club a positive experience for all the membership.

Sincerely,
Ken Groves

CANDIDATES CONTINUED

Candidate for Newsletter Editor Larry Simmons

Thanks for considering me for Newsletter Editor.

I have been a member of both the BMW car and motorcycle clubs for the last 20 years, owning more than a dozen cars and bikes in that time. I usually get to attend at least one motorcycle rally each year and the past few years I have attended 5 local club high performance driving schools and volunteered as a corner worker at several others.

Professionally, I have been in the computer industry for more than 30 years and have had occasion to write many technical specifications and user manuals. I have also been responsible for the creation and maintenance of several web sites.

I am a native of the Spokane area and I and my wife Aimee currently reside near Sandpoint in a country setting, not far from the Pend O'reille river.

Candidates for Ombudsman (2 positions) Tony Longinotti and Allen Erickson.

MY BMW.

I want to start a new section where we feature one of our members and their BMW. I will have a questionnaire to fill out asking numerous questions about your car. We will need a complete bio on the car. Pictures, where you got it , how long you've had it, why is it special to you, favorite place to drive it, where you would like to drive it. Things of that nature.

I think it will be fun and interesting to learn about some of the cars that are right here under our noses. I know there are some unique specimens right here.

So, if you think that you would like to share your BMW with us, contact Allen at (509) 464-4107 or e-mail me at aeracer@earthlink.net.
